1. From March 1st in the new location, we outsourced room and board arrangements with sister institutions. They were reporting that it is not possible to manage with the fee for room and board paid to them based on what was charged as fees. Of course, this is also based on inflation of food items that you are also experiencing. Hence in consultation with them who are modestly charging institutions, and in consultation with administrative and financial consultants, the following fees is fixed and is applicable from July first, 2024.
2. From 1st July 2024 following rates will be applied
3. These are calculated for groups of around of 20 persons. If they are less than people may be asked to make their own arrangement for their room and board.
4. The above fees are a package fees and not a retail fees, fees once paid will not be refundable.
5. We are conscious that this quality of training cost much more
6. The Rs. 400/- fee for food per day works out to Rs. 100 for breakfast, Rs. 150 for lunch, Rs. 100/- for dinner Rs. 50 for tea/coffee/Milk/snacks/ midmorning and evening with veg. and non-veg options
